- Weekly:** Receives income every week.
Bi-Weekly: Receives income every 2 weeks.
Twice Monthly: Receives income two times a month.
Monthly: Receives income once a month.
Annual: Total income for 1 year.

Income Conversion Factors:

1. If a household has only one source of income, or if all the sources are paid at the same interval, compare the income to the same interval of the WIC income guidelines for the household size.
2. If a household has income sources at more than one interval, annualize all income and compare to the "Annual" column of the income guidelines. To annualize, multiply:
 - Weekly x 52
 - Bi-Weekly x 26
 - Twice-Monthly x 24
 - Monthly x 12
